SUBJECT: Guidelines for Congressional Witnesses

STAT

Attached is the draft of a paper on guidelines which we intend to use in pre-briefing Congressional witnesses. These guidelines represent the collective wisdom of many officers currently and previously active in the Agency's relationship with the Congress. Please review the draft, and if you have any comments, forward them to the Office of Congressional Affairs before Friday, 4 September. The Director has taken an interest in the subject of guidelines, and we plan to send him a final version in mid-September.
